Superior Rating As Usual, For Band

The Pahokee High School Band, under the leadership of Band Master Robert O. Lampi received all three superior ratings at the annual District Three Band Contest, held in Pahokee Thursday March 23rd, which qualifies them to participate in the State Contest in May.

The concert division of the contest was held in the school auditorium and the Band played Yoder's "Cougar Conquest" as a warm-up march, followed by Frank's "Monte Vista Overture" as the required number for Class C Bands, and Yoder's "Runestone Overture" as the selected number.

In the sight reading division two selections were played that had never before been seen by the band members. Band Master Lampi directed two numbers and Tchaikovsky's "Sleeping Beauty Selections," directed by Sandra Lampi, Student Conductor.

The marching division of the contest was held on the old athletic field.

The district contest is a preliminary to the State Band Contest in May, it being necessary to receive two superior and one excellent ratings for a band to qualify for participation in the State Contest.

Judges were O. J. Kraushaar of the University of Miami, head judge; Stefan Jones of Allapattah Junior High School, Miami; and Paul Gustaf of Sebring Senior High School.

This is the 15th year that the Pahokee High School Band under the leadership of Band Master Lampi has received the qualified ratings in the district band contest.

Ask Additional R-W Royal Palm Manor

The county commission this week approved a new subdivision plat in Pahokee and voted to ask the city for additional road right of way in the plat.

The new subdivision — Royal Palm Manor — has been approved by Pahokee officials in an effort to gain the requested right of way asked by the state.

The subdivision engineer said he would take the plat back to Pahokee officials in an effort to gain the requested right of way or to make provision for procurement of the right of way at a future date at no expense to the county.

Indiantown Has A Medical Doctor

Indiantown officials and residents joined in a reception Sunday afternoon at the Seminole Inn to welcome their new physician, Dr. E. Ernest Pierleoni. He has moved his family there from Miami where he has practiced for the past six years.

His office will be in the Medical Center of the new shopping area and he has been approved by Martin Memorial Hospital staff at Stuart.

Dr. Pierleoni is a graduate of the University of Rochester, interned in Washington, D. C. and completed his residency at Jackson Memorial Hospital in Miami.

There are six children in the doctor's family, four of whom are still at home. A son in the Air Force at Barksdale AFB, La. and a daughter, Mrs. Paddie Hawkins, lives on Chikee Ave., Indiantown.

Dedicate Pahokee Post Office April 9

Sunday afternoon, April 9, at three o'clock, has been set as the hour for the dedication of the recently constructed post office in Pahokee on Bacom Point Road.

The new post office has about 5,000 feet of floor space, compared to about 2,000 in the old office. Officials said that the space will take care of the needs of the office for the next two decades.

Postmaster Ed Jensen said that open house will be observed immediately following the dedication ceremonies. He pointed out that business at the office has improved a great deal. In 1950 revenue of the office was \$17,660.52 while in the year 1960 the revenue was \$36,551.97 for an increase over the ten year period of 106.9 per cent.

Illegal Signs To Be Removed By Co.

Residents of Palm Beach County who have advertising signs placed illegally on road right of way, are likely to find their signs being removed by county employees.

The commission voted this week to take down all illegally placed signs and store them in the county barn where the owners may call for them.

A group of signs at 10th Ave. and Military Trail, West of Lake Worth, which reportedly constitute a traffic hazard, prompted the commission to take its action.

Glades Projects Get Stimulation

Early action on two state road projects in the Glades section was indicated this week in communications from the State Road Board received by the County Commission.

The commission was informed that improvement of State Road 715 in Pahokee from the Baptist Church to the City Park is in final stages of design and plans and is expected to be let for bids during the road board current budget year. This is on Bacom Point Road.

Rebuilding of U. S. 27 from the Hendry County line for a distance of 2.5 miles or in the vicinity of Bare Beach, is scheduled for the next budget year, the Road Board told the commission. Estimated cost of this project was set at \$2.5 million.

Both projects have been pushed by Commissioner Paul Rardin, Canal Point, who only recently won approval for sending letters to the Road Board and the Governor's office, requesting a status report on the projects. The road board's answers were the result of Commissioner Rardin's action.

Commissioner Rardin, in another action on Glades roads, presented a resolution this week from the Belle Glade Jaycees asking the four lane widening of State Road 80 and State Road 27 in the Glades area and also the installation of a traffic signal at the intersection of State Road 80 and 715.

The commission voted to ask for a traffic survey for the signal light and ordered the Jaycees resolution sent to the State Road Department.

Cancer Drive Set For Month Of April

Mrs. G. H. Tucker of Canal Point has been reappointed as chairman of the Cancer Fund Drive this year and will make every effort to raise the assigned amount of money for this worthy cause. In the past Mrs. Tucker has made an excellent drive chairman.

F. S. "Dick" Parrish, active civic and community leader in Pahokee will again serve as local chairman for the annual Cancer Crusade to be held in April.

Fred Tevergauch, Crusade chairman for Palm Beach County, said with veteran campaigners like Parrish and Mrs. Tucker taking the lead, the county's goal of \$100,000 — highest in history — has a good chance of being met.

Actual Construction Work To Start On Monday Following Ground Breaking

Surplus Property Depot To Be Set Up

Possibility that a surplus property depot may be established here was announced to the county commission this week.

The board learned a representative of the Florida Development Commission will be here next week to inspect premises of International Airport with a view to finding a suitable location for a depot. The government surplus property stored here would serve the South Florida section.

At the present time the surplus depot at Camp Blanding at Starke is main distribution point for South Florida.

Baptist Revival Locally April 9-16

The Canal Point Baptist Church has perfected plans for Community Prayer Meetings in preparation for the Spring Revival to be held April 9 thru 16th. The Pastor, Charles D. Stewart is to be assisted by Rev. Fulton Bryan, the Pastor of the Lake Park Baptist Church, Lake Park, Fla., who will preach during the Revival. The music will be under the direction of Charles Smith, of Winter Haven with Mrs. Paul Rardin, Church Pianist.

There will be special prayer services conducted by the Pastor Wednesday and Thursday Nights at 7:30 p. m. in the Church. There are to be two Community Prayer Services in homes on Tuesday p. m. April 4th, and Friday p. m. April 7th. All the people of the Community are invited to attend. Places for the Community Prayer Meetings will be announced on the Church Bulletin Sunday.

Asks More Land At East Shore Park

The county commission Monday voted to ask the U. S. Engineers for permission to extend the limits of East Shore Park, a recreation area on Lake Okeechobee near SR715. Commissioner Paul Rardin said additional lake shore area is being sought for the recently developed lakeside park.

Saturday, April 8 at 3 o'clock is the hour set by the United States Sugar Corporation for ground breaking at the site of the new \$12,000,000 sugar mill at Bryant, one-half mile east of Canal Point, according to Harry T. Vaughn, of Clewiston, President and general manager of the Corporation.

Participating in the ground breaking will be businessmen of the Glades, many civic workers from the area and East Coast visitors among whom will be a bus load of Palm Beach Resources Development Board members who have signified their intention of being present for the history making occasion.

President Vaughn said that many of the board of directors of the Corporation will be here for the ceremony.

Construction of the new mill, announced a few weeks ago by Mr. Vaughn, has enlivened the "sugar boom" in the Canal Point and Everglades section of Palm Beach County. With two mills already operating, two more under construction, and three more more on the planning boards, the new sugar era in western Palm Beach County is attracting national attention. The rich mucklands and temperate weather combine to make this the ideal sugar growing section of America.

Construction and operation of the new mill will pour thousands of dollars into the economy of this area as Mr. Vaughn pointed out the huge weekly payroll. He said that in the mill more than 200 men would be needed for the operation and that these men will receive a minimum of \$8,000 annually.

Construction of the huge mill is expected to begin on Monday morning following the ground breaking on April 8. Dr. A. G. Keller and Associates, long known as the world's foremost sugar mill planners are furnishing the design for the new mill. The general contractor is Farrel-Birmingham of Ansonia, Connecticut.

Called To Georgia Brother's Death

Rev. and Mrs. Charles D. Stewart returned home Monday night from Sylvestor, Ga. They were called there on Saturday to attend the funeral services of his brother, James A. Stewart, age 74, who was stricken with a fatal heart attack on Friday, March 24th. The funeral was held in Sylvestor on Sunday March 26th, at 3 p. m.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

A joint meeting between the County Commission and officials of the Lake Worth Drainage District for a discussion of proposed legislation is in the offing.

The commission Monday, after hearing State Sen. Ralph Blank, Jr., tell them drainage problems are most important in the county, decided to meet with LWDD officials to review what legislation the district expects to present to determine how it will effect county holdings.

Sen. Blank told the commission that district bills are only now being put into final form and even

though rules call for all bills to be complete by the time the session starts, future changes might be considered by the delegation.

"In view of the major public interest concerned," Blank said, "it is likely that the legislative delegation will accept last minute changes."

In another legislative action, the commission Monday received its first draft of a proposed beach erosion bill. The measure—an enabling act—provides a means of establishing a district or districts to levy taxes for beach improvements or for buying beaches.

Max Wilson Home For A Week Visit

Max Wilson arrived here Sunday for a week's visit with his parents, Mr. and Mrs. F. M. Wilson. He was accompanied by the following five school-mates: Eric Butler, Marble Head Mass., Arnold Lizio, Oak Park, Ill., George Kennessey, of Budapest, Hungary; Larry Moncur of Lovell, Wyo., and Ron Tatum of Joplin, Mo. Max is a senior at the University of Rochester, Rochester, N. Y., School of Medicine and after graduation in June, he plans to intern at the University Hospital of Kansas City, Kansas.

Cancer Drive Will Have Good Leaders

Some 4,000 volunteers stand ready today to launch Palm Beach County's annual Cancer Crusade on April 1, according to Fred Teverbaugh, West Palm Beach who is again serving as county Crusade chairman.

During the month of April, which has been designated as Cancer Control Month, volunteers in every community in the county, the chairman said, will be calling on homes of friends and neighbors to distribute educational leaflets which could save their lives.

If everyone followed the advice contained in the leaflets more than 85,000 lives could be saved. This is the number of men, women and children, Teverbaugh said, who die of cancer in the United States each year, but who could have been saved by heeding the simple advice stressed in the American Cancer Society's educational program.

Research records show, the chairman said, that half of the people who get cancer can be cured through early detection and proper treatment. Twenty years ago, he said, only one out of seven who developed cancer was saved; today it is one out of three. With adequate public support and personal action it could be one out of two.

Money raised in the Crusade will not only be used to step up educational programs, but to provide service for cancer patients and to support research of scientists who are working unceasingly for a cancer cure or preventive. Progress in cancer research can only go as fast as funds are available.

Here in Palm Beach County, Teverbaugh said, workers will be seeking to raise the highest fund goal ever set for the area, a sum of \$100,000 which is about 20 percent more than was raised in the county last year.

H. L. Carter of Canal Point and Pahokee has been a patient in the hospital for the past two weeks, he is reported to be doing nicely and hopes to be out soon.

Easter Service Planned For April 2

The Union Easter sunrise service in Pahokee will be under the Pahokee Ministerial Association, and is scheduled for the foot ball field on Easter morning. Music will be under the direction of Robert O. Lampi.

Call to worship will be given by Rev. Thomas C. O'Steen of the Pahokee Methodist Church.

Prayer will be led by Rev. Charles D. Stewart of the Canal Point Baptist Church Scripture reading will be given by Rev. Robert A. Shelley of the Canal Point Methodist Church.

The Easter sermon will be delivered by Rev. B. A. Bowers of the First Baptist Church in Pahokee and the benediction will be given by Mrs. J. H. Kinnard of the Church of God on Canal Point Road.

Horace Scruggs, student of U. of Fla., in Gainesville arrived in Canal Point Wednesday night to spend the Easter Holidays as guest of his parents, Mr. and Mrs. A. H. Scruggs.

Births

Mr. and Mrs. William Allen Vaughn (Nora Jean Gesse) of Pahokee announce the birth of a daughter, Caroline Marie, born March 24, at the Everglades Memorial Hospital.

Mr. and Mrs. Benny F. Simms of Pahokee announce the birth of a daughter, Jane Rita, born March 25th.

Mr. and Mrs. Bill Newton (Beverly Jo Gilmore) of Pahokee announce the birth of a baby daughter, Denise Arlene, born March 13 at the Everglades Memorial Hospital.

Canal Point PTA Postponed To April 10

The regular monthly meeting of the Canal Point PTA has been postponed until April 10, according to an announcement yesterday by Mrs. Nadine Cherry. The meeting will be addressed by a member of the school cafeteria group from West Palm Beach.

TO SPEAK EASTER

Mr. and Mrs. Calvin Padgett and son Jimmy of Gainesville, are expected to arrive in Canal Point tonight to spend the Easter Holidays with his parents, Mayor and Mrs. Duncan Padgett also her parents, Mr. and Mrs. A. H. Scruggs.

**Here's what the new 3¾% interest rate
on U.S. Savings Bonds means to you:**

\$3 = \$4 *fourteen months faster than before*

***The Bonds you own are better
than ever, too***

The new 3¾% rate means your savings grow faster than before with U.S. Savings Bonds. \$3 becomes \$4, or \$3,000 becomes \$4,000 in just seven years, nine months. This applies to all Series E Bonds bought since June 1, 1959.

Then, all older Bonds, both Series E and H, pay more now—an extra ½% from June 1 on, when held to maturity.

And, all Series E Bonds carry a new 10-year extension privilege. This means your Bonds will keep earning liberal interest automatically after maturity.

These three new cash benefits make today's U.S. Savings Bonds the finest in history. They make the ones you own now better, too.

More advantages of U.S. Savings Bonds

You can save automatically. Just tell your company how much to deduct every payday for Bonds, and your Bonds will be delivered to you. This way you can't forget to save. And, remem-

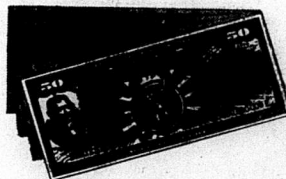

ber, the money you don't touch can't slip through your fingers.

You can get your money, with interest, when you need it. Your Bonds are a ready reserve to use anytime you wish. But, it pays well to hold them.

Your savings can't be lost or stolen. The U.S. Government guarantees to replace your Bonds, free, if anything ever happens to them.

You save more than money. The Bonds you buy help keep the peace because peace costs money. Money for better education, new scientific research, greater military strength. And the money you save helps strengthen our nation's economy which depends on the financial strength of individuals to keep it sound.

Start saving with U.S. Savings Bonds today. You'll save more than money.

You save more than money

...Growing with the Future

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 6 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 6 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$3083 in cash; in 10 years, \$6442.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or nearest to Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

HAS TONSILS REMOVED

Mel Spooner, six-year-old son of Mr. and Mrs. Melvin Spooner of Pahokee underwent an operation for removal of his tonsils on Wednesday of this week at St. Mary's Hospital.

Robert O. Lampi went to Lake City last Saturday and participated in the judging at the District 7 Band Contest.

Christian Science Group Of Canal Point

The vital importance for all mankind of the resurrection of Christ Jesus will be stressed Sunday at Christian Science services.

Scriptural selections will include accounts from Matthew, Mark, Luke, and John of incidents in the life of Jesus, including the betrayal in Gethsemane, the crucifixion, and his resurrection.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy these passages will be read (pp. 292, 293):

"Truth will be to use the resurrection and the life only as it destroys all error and the belief that mind, the only immortality of man, can be fettered by the body, and Life be controlled by death... In his resurrection and ascension, Jesus showed that a mortal man is not the real essence of manhood, and that this unreal material mortality disappears in presence of the reality."

Royal Park Manor Work Is Started

Pahokee's newest sub-division—Royal Park Manor—will soon become something more than plans on paper, according to Blanton & Unwin, Pahokee contractors, who on Monday of this week started clearing the land and building streets in readiness for construction of new homes.

Royal Park Manor is located on Bacom Point Road across from Ed Olsen's nursery and will make one of the fine developments of this area when completed. The contractors say that two and three bedroom homes with one and two baths are to be built.

Low down payments with no closing costs have been pointed out as something that should interest the future home owner, so said the contractors. Prices on the homes start at \$10,500.00.

BAPTIST CHURCHES OVERSEAS BAPTIZED 31,107 LAST YEAR

Overseas church related to Southern Baptist mission work report a record 31,107 baptisms during 1960, an increase of 2,879 over 1959. These brought church membership to 452,975.

The number of churches increased by 130 to total 3,399, and missions by 190 to total 6,522. Contributions through the churches and missions amounted to \$3,262,290.30, an increase of more than \$1,000,000 over the year before. Sixty-four percent of the churches were self-supporting.

This information is recorded in the Southern Baptist Foreign Mission Board's 1960 report, a compilation of figures and facts from the 45 countries and territories where Southern Baptist missionaries serve. The annual report will be presented to the Southern Baptist Convention when it meets in St. Louis, Mo., in May.

The Foreign Mission Board appointed 137 missionaries during 1960 for a net gain of 99, bringing the staff at the end of the year to 1,480—623 men, 631 married women, and 226 single women.

Sunday schools sponsored by the overseas Baptist churches and missions in 1960 enrolled 389,138 persons; youth organizations, 115,715; Woman's Missionary Unions, 127,510; Brotherhoods, 4,802; and Vacation Bible schools, 142,716.

Mrs. C. W. Anderson left Friday for her home in Register, Ga., for the past four months she has been the house guest of her son-in-law and daughter, Mr. and Mrs. Paul Watson and family.

Lawrence Will Is Lions Club Speaker

Lawrence E. Will, pioneer resident of the Everglades, was the speaker at the regular Monday night meeting of the Canal Point Lions club. Mr. Will spoke on the early history of the Lake Okechobee Region and told of the possibility, many years ago, of Canal Point becoming the leading town in this area. Conditions prevented this from happening, he said, and other sections became larger than Canal Point.

Mr. Will came to the Lake Region and the Okeelanta section on the south shore of the lake in the early 1900's along with his father who was one of the really early pioneers. He has been a business and civic leader during all these years. Recently he had published a book titled: "Okeechobee Hurricane and the Hoover Dike." The sales of the book have more than met the expectations of Mr. Will and his publisher.

New Booklet Tells Full Story Of FCD

A simply-stated and well illustrated new leaflet, just issued by the Central and Southern Florida Flood Control District tells briefly and to the point what the FCD is, and what it does.

FCD Board Chairman, Riley S. Miles, said the leaflet has been designed for distribution at county fairs, civic clubs and such meetings as the June 3-August 5 First Annual Youth Conservation Exposition at Ocala, to highlight the importance of proper control and conservation of water as a vital natural resource.

The Youth Exposition is being sponsored by the Florida Game and Fresh Water Fish Commission.

The leaflet has been wholly written, produced and printed most inexpensively entirely by FCD staff members at the FCD headquarters for the 18-county wide District, 901 Evernia Street, West Palm Beach.

Airport Strings Tied Tight By FAA

The county commission this week gave its approval to terms and conditions for the return of International Airport to control of the county.

The General Services Administration, federal agency handling the airport transfer, submitted a deed for county approval, setting out the terms for transfer. The deed now goes back to GSA for execution by the federal government.

The deed transfers all property except that section north of Belvedere Road and a small plot used for instrument landing equipment.

Use of the airport property by the county is subject to approval by the FAA, according to the deed.

In connection with the airport, the commission heard a request from Ralph Blank, Jr., for lease of hangar space to house a new industry. Blank told the commission he was requesting the space for William Lear, a veteran in the field of aviation development, who wished to use the hangar space for assembly and testing of a new twin-engine jet executive aircraft now being developed in Switzerland. Blank said the jet planes would be sent here for final assembly of parts and furnishings.

The commission took Blank's request under study with the observation that another client is seeking the same space asked by Lear. Blank said his client would probably not start full scale operation for about a year and wants to rent the hangar now for future use.

SON IN HOSPITAL

Mrs. W. L. Anderson of Canal Point, received word Sunday from her son Cpl. Henry L. (Leroy) Anderson, a patient in the Valley Forge General Hospital, Phoenix, Pa. He became ill at the Army Base in Ft. Benning, Ga., and was confined to this hospital March 1st. He is regaining his health and hopes to soon be back on the base.

Joint Club Meet Is Held On Wednesday

The Pahokee Womans Club met Wednesday, March 22 at the Community Hall in the Glades Park, with the Belle Glade Womans Club for their yearly Club Luncheon. Mrs. Alice Spooner was in charge of the program and welcomed the guests. Mrs. William Plummer gave the Devotional. Mrs. Marvin Unwin, president of the Belle Glade Club, presented her guests.

Mrs. Billy Rae Mosley, The Pahokee President gave the invocation, after which Mrs. Spooner introduced Mrs. Hugh Branch and her daughter Tammie they sang "How Great Thou Art" accompanied at the piano by Mrs. M. P. Stanley.

The Easter motive was carried out in the decorations using center pieces of rabbits of various sizes and in pastel colors, painted coconuts eggs with tiny flower corsages attached, also a large floral arrangement of mums graced the guest table. Mrs. Sadie Barwick was in charge of the decorations and the rabbits were compliments of Royal's Department Store.

Following the luncheon, Mrs. Spooner presented Mrs. Bert Padgett with a gift from the club as a going away present also for perfect attendance record of five years (she joined the club five years ago), after which she invited the members to join her at the Prince Theatre to see the movie "Can-Can."

Mrs. C. B. Stringari and Mrs. Glenn Powell were in charge of the luncheon.

Family Reunion Held At Mrs. Butler Home

Mrs. Ida Butler was hostess on Sunday at a family reunion held at her home in honor of her granddaughter's visit, Mr. and Mrs. Ned Spooner (Pauline Dowling) and children of Jacksonville. Mrs. Butler's five daughters and their families helped make the celebration complete. Those attending were: Mrs. Eva Jane Butler, mother of Mrs. Spooner, Mrs. Rica Riffey and daughters; Miss Evealea and Mrs. Peggy Paul and baby sons of Sebring, Mr. and Mrs. Ed Laitsey and son, Ronnie of Pahokee also their daughter and family, Mr. and Mrs. Raymond Martin and their sons of Punta Gorda; Mr. and Mrs. Millard Laisrey of Canal Point and their son and family, Mr. and Mrs. Charles Laisrey and baby daughter of Sebring and Mr. and Mrs. Roscoe Stokes and their daughter, Mrs. Ansil Holt and Mr. Holt.

"Li'l Abner" Playing At Musicarnival

"Li'l Abner," the riotous musical tale of Al Capp's comic strip characters, will continue nightly at Musicarnival thru Sunday, April 2, the latest performance of the tent theatre's season. A fulfilled show for the whole family, "Li'l Abner" co-stars big, brawny Chet Sommers in the title role and pretty, pert, Patricia Northrop as Daisy Mae.

In addition, this tale, which centers around the fight to save Dogpatch from annihilation by the United States Government, features such fabulous characters as Mammy and Pappy Yokum, Marry-in-Sam, General Bullmoose, Earthquake McGoon, Senator Jack S. Phogbound, Evil Eye Fleagle and all the assorted animals who inhabit Dogpatch.

New $3\frac{3}{4}\%$ interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

Q: How does the new $3\frac{3}{4}\%$ interest rate benefit me?

A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to $2\frac{1}{2}\%$ for the first year and a half; then a guaranteed 4% each year to maturity.

Q: When did the new rate become effective?

A: June 1, 1959.

Q: Does the new rate change the Bonds I bought before June 1, 1959?

A: All older E and H Bonds pay more now—an extra $\frac{1}{4}\%$ from now on, when held to maturity. The increase takes effect in the first full interest period after June 1.

Q: Will the Bonds I own automatically earn their new rate?

A: Yes. You don't need to do a thing—just hold on to your Bonds.

Q: When my E Bonds mature, will they keep on earning interest?

A: Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earning interest after maturity.

Q: With the new interest rate, should I cash in my old Bonds and buy new ones?

A: No. The automatic $\frac{1}{4}\%$ increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

Q: How are series H Bonds different from series E Bonds?

A: The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build a nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

Q: In what denominations can I buy series E and series H Bonds?

A: E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00), \$200 (cost \$150.00), \$500 (cost \$375.00), \$1,000 (cost \$750.00), \$10,000 (cost \$7,500.00).

H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

Q: How safe are U.S. Savings Bonds?

A: Savings Bonds are an absolutely riskless way to save. The United States Government guarantees the cash value of your Bonds will not drop, that it can only grow.

Q: What if my Bonds should be lost, stolen or destroyed?

A: You can't lose. Every Bond purchased is recorded by the Treasury. If anything happens to your Bonds they are replaced—free.

Q: Where can I buy Bonds?

A: Buy E Bonds at any bank—it takes only a few minutes. Buy them automatically through the Payroll Savings Plan where you work. This Plan means you can have any amount you name automatically deducted every payday. The Bonds you buy by installments are delivered to you automatically, too. Your bank will take your order for H Bonds.

Q: How do I help strengthen America's peace power when I buy U.S. Savings Bonds?

A: Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

The ceremony took place at the home of the bride's uncle and aunt, Mr. and Mrs. T. J. Hand, with the Rev. Henry Albert officiating. Attending were Mr. and Mrs. Sam Spear, Mr. and Mrs. T. J. Hand and Miss Bell Spear.

Following a brief wedding trip to Florida, the couple are now at their home in Pahokee.

Hendry County Gets SRD Work On US27

Conversion of more than eight miles of U. S. 27 from two-lane to four-lane highway in Hendry County is now 55 per cent complete, the State Road Department announced today.

Warren M. Cason of Tampa, Road Board member for District One, and Travis A. Gresham, Jr., of Fort Myers, Senator for District 24, said the \$809,107 project extends from Olympic Street in Clewiston west to the intersection at Whiddens Corner.

The existing two-lane roadway included in the 8.541-mile project will be resurfaced and two new lanes will be added. A median strip will separate the dual traffic lanes.

The project, being handled by Brinson-Allen Construction Company of Tampa, also includes construction of a 125-foot bridge over Sugarland Canal at the west city limits of Clewiston.

The Tampa company started work on the project last June, Cason said.

Passes Away At 98

MRS. FRANCES McBRIDE
Alamo, Georgia

Mrs. Frances McBride, 98 years of age March 11th, of this year, died March 25th, in the Telfair Hospital, in McRae, Ga., after three weeks illness.

Frances E. Morris was born 1863, daughter of the late Mr. and Mrs. Benjamin Morris in what was then known as Montgomery County. She was married 1883 to the late J. W. McBride and he preceded her in death 15 years ago. She was the last survivor of a family of ten brothers and sisters, one brother died last year.

Of the eleven children born to Mr. and Mrs. McBride, one son, John C. McBride of Alamo, Ga., and four daughters are her survivors; Mrs. Abby Woodward of Stuart, Fla., Mrs. Eunice Argo of Alamo, Ga., (with whom she made her home) Mrs. Mary Roland and Mrs. Margaret Pope, both of Canal Point. Also 12 grand-children and thirteen great-grand children survive her.

Mrs. McBride lived most of her life in Alamo, McRae and Glenwood and in Canal Point she spent many happy years as guest of her daughters. She was known and loved throughout this community.

Funeral Services were held Sunday 3:00 p. m., at the Glenwood Methodist Church with Rev. Lun Morrison officiating assisted by the local Pastor, Rev. Tucker. Grave services were completed at McRae Cemetery with Harris Funeral Home in charge of the arrangements.

Lake Area Group Formed To Seek More Visitors

Resort, fishing camp, marina, motel, boat and motor sales outlets and restaurant owners and management around the shore and along the tributaries of Lake Okechobee have formed a mutual interest group known as Lake Okechobee Public Service Bureau.

In taking that step, resort interests have long felt the need for help in the preservation of the area as one of the greatest fishing and boating frontiers left in America.

Principal purposes of the group are to find ways and means to attract more visitors; expand the use of the across-the-lake waterways; and to keep the area attractive to local as well as visiting users of its facilities.

Luther Lowe, "Slim" Corbin, Ralph Lewis, E. E. Collier, M. M. Moulton, W. T. Hollis are a few of the entire membership which declares, "There has long been the need for such an organization whose prime purpose is to attract more visitors and preserve the area attractive to local as well as visiting users of its facilities."

ATTEND FUNERAL

Mrs. Hassell Edmondson and daughter left Sunday March 19th for Cullman, Ala., to attend the funeral of her father, J. A. Simpson 68 years of age. Mr. Simpson died Saturday in the Murray County Hospital Columbia, Tenn. Mrs. Edmondson and daughter returned home Wednesday.

INTEREST IS EARNED

Palm Beach County is earning interest on unspent funds that will amount to about \$40,000. The commission heard from its financial advisor Monday that \$3,476,000 is now invested in securities which will mature at such times as county funds are needed to meet budgeted requirements.
